**Re: RM-11065**

Dear Ms. Dortch:

On June 21, 2005, Diane Burstein (Deputy General Counsel) and Jill Luckett (Senior Vice President, Program Network Policy) met with Jay Keithley, Deputy Chief, and Amelia Brown, Staff Attorney, of the Consumer and Governmental Affairs Bureau. NCTA reiterated the cable industry's commitment to captioning. However, consistent with NCTA's Opposition to the Petition for Rulemaking filed in the above-captioned docket, NCTA argued that there is no need for the FCC to adopt new captioning rules, complaint procedures or recordkeeping obligations.

Respectfully submitted,

**/s/ Diane B. Burstein**
